First Effort in Combating Commercial Fraud Has Met With Success.

### Credit Class Planned to Help Waist Men

An effort to protect the credits

of members of the United Waist

League of America, who do an

annual business of more than

\$1,000,000,000, the organization has

completed plans for a course in

credit for credit men, who are

engaged in this part of the busi-

ness for various manufacturers.

The first meeting of the class will

be held in the headquarters of the

league, 23 East Thirty-second street,

Wednesday evening. S. A. Atlas of

the Biltmore Waist Company will speak

on "The First Order."

The crap game was among negroes  
A quarrel led to a revolver shot. John  
Smith, 18, a bystander, was struck in  
the leg.  
The policemen chased five negroes to  
Stewart's bicycle store in Kalgan  
avenue. In the race, they forced an entrance  
at the rear. In the course of revolver  
shots Mench shot Stewart, who died  
before he himself was dropped.

Police reserves arrested six negroes,  
including Charles W. Moore, candidate  
for the City Council on an independent  
ticket in the last election.

Fifty policemen patrolled the streets

of the negro quarter to-night.
